The bottle is complete. It is cylindrical in shape, with a straight wall, a rounded shoulder and a straight, bulging neck. The neck has a sloping ring and a high, straight lip with a flat top. The base is straight. The base has a wide fulcrum and a domed center, with a domed central nipple. There are three mold marks: a horizontal mold line at the top of the wall and two vertical mold lines on the shoulder and neck. There is an inscription molded in relief on the recessed bottom: C 5; None.
