The glass is complete. It comprises a bowl, a stem and a foot. The bowl has a straight rim and a domed wall; it has a thick base with a small domed nipple inside the bowl. The stem is solid and cylindrical, in the shape of a double spindle separated by a central knob, and flares out towards the foot. The foot is circular with a truncated cone profile at the top. The underside has a slight circular indentation and a trace of pontil on the central glass ; The decoration is blown. It is geometric on the stem. The stem is decorated with a flattened button at mid-height.
