The glass is complete, except for a small chip on the rim of the foot. It comprises a bowl, a stem and a foot. The wall of the bowl is straight at the top, with one edge in line with the other, while the other is tapered towards the bottom, which is flat. There is a small flat ring below the bottom. The stem is solid and spindle-shaped, separated by a flattened central knob. The foot is circular with a conical profile. The underside shows a trace of glass pontil ; The decoration is blown. The stem is geometrically decorated. The stem is decorated with a flattened knob at mid-height.
