Collections / booklet

A SCHOOL SAVINGS BANKING SERVICE has been provided in your school by the Bank of America for the accommodation of children who wish to open savings accounts, and to assist in developing the habit of third and in building toward a more accure funite.

PARENTS WIO COOPERATE with the school to make this plan a success will be measuraging their children to acquire this important habit.

SCHOOL, SAVINGS DEPOSITS are made at the school, giving students the opportunity to build a savings account through this convenient banking method and to acquire the habit of saving every week. School savings accounts are insured the same an regular savings account account and the school saving accounts are insured the same an regular savings account account through this convenient banking method and to acquire the habit of saving every week. School savings accounts are insured the same an regular savings account account and the same and account savings account and the savings accounts are insured the same an regular savings account account and the same and the savings accounts are insured the same as regular savings account and the savings accounts are insured the same as regular savings account and the savings accounts are insured the same as regular savings account and the savings accounts are insured the same as regular savings account and the savings accounts are insured the savings accounts are accounts are insu

REMEMBER BANK DAY

To Pupils and Parents:

Wisdom about the best way to manage money may be gained by practicing how to save and how to spend wisely. A means for safely accumulating even the smallest amounts of money into desired sums is provided by the SCHOOL SAV-INGS ACCOUNT.

Girls and Boys may take advantage of BANK DAYS at school to learn how small amounts saved regularly become amounts large enough to satisfy their needs and desires.

Fill in this signature card in ink, return it to school next BANK DAY and open a SCHOOL SAVINGS ACCOUNT with any amount from one penny upward. The Bank will establish an individual SCHOOL SAVINGS ACCOUNT and issue a passbook for keeping track of the first deposit and all other transactions.
