The container is complete. It is circular in shape. In cross-section, the wall is flared at the top, the rim has a high, straight lip and the top is domed; the wall curves towards the bottom, which is flat. The inner rim has a narrow, inwardly sloping, horizontal protrusion. The body is a well-fired, orange-red color; the entire inner surface, top and outer lip are covered with a

colorless, brown glaze, which has also flowed under the outer lip. This outer surface also has a thin brown coating under the glaze. There are linear marks on the glaze-covered inner base ; None...
