The cut is complete. It is cylindrical in shape. Its wall is high and flared out at the top; its rim is also flared out and its circumference is rounded, and it has been folded back on itself, creating a void. At its base, the bowl is tapered towards the foot. The foot is circular in shape, with a truncated cone profile at the top, and is thick. The underside shows a trace of glass pumice ; None, other than the shape of the object.
