Double-sided black and white paper montage. The front has a mounted postcard of Canadian Steel Foundries with text printed on the back. The same text is typed at the bottom of the card, on the sheet, with the foot dimensions of the factory's rooms. The reverse has a pasted image of the Fairbanks Morse Company building photographed in 1964.

Accession Number 2021.63.22

Date 1914 an

Materials cardboard, ink

Measurements 25 x 20,2 cm
