Collections / From federalism to the end of the Second World War / gin bottle

CC BY-NC-ND 4.0 license

The bottle is complete. It is square with rounded corners. The sides are tapered at the neck and domed at the top; the shoulder is rounded, the neck short and tapered upwards, with a high lip tapering upwards and a flat top. There are two vertical mold lines on opposite corners, running from the base over the shoulder to another horizontal line below the neck; the neck has two vertical mold lines. The base has a rounded fulcrum; the center is recessed and flat. The decoration is molded: the walls show fine vertical and parallel striations. It is geometric.
