The bottle is complete. It is square with rounded corners. The sides are tapered towards the neck, with a rounded top; the shoulder is rounded, with a flat top. The neck is short and tapered at the top, topped by an asymmetrical lip with a flat top; in cross-section, it is tapered towards the neck. The base is straight. The bottom is

sunken into a dome shape, with a pontil mark on the central glass. The four corners of the base are uneven, making the bottle wobbly ; none other than the shape of the object.
