The inkwell is complete, lacking only a small chip under the rim. It is circular in shape. In cross-section, it has a broad, flat top, a straight wall that tapers near its base and a flat, unglazed underside. The body is pinkish-beige with quartz inclusions. The glaze is white and shiny; the decoration is hand-painted in orange underglaze. It is geometric. The decoration is on the top of the cup. It consists of radiating lines.
