The bottle is complete, with the exception of small chips on the neck. The front and sides are flat, while the back is domed. In cross-section, it has a straight wall, a rounded shoulder and a straight neck, topped by a neck made of a swollen lip with an almost flat, slightly inward-sloping top (Prescription lip). The base is straight, the fulcrum slightly domed, the bottom recessed and flat. There are two vertical mold lines on the wall, from the base to the base of the neck. The face features relief-molded inscriptions in four vertical registers: LAROCHE & CO. DRUGGISTS LAR (in anagram) QUEBEC ; None, other than the shape of the object.
