The oil set is complete; there is a small chip on the base. It is cylindrical with sides. Its neck is long and slightly narrowed, the shoulder is rounded, and the wall is slightly tapered towards the base, which is straight. The bottom is flat. The top of the neck is flat and the inside of the neck is frosted. There are air bubbles in the glass ; The decoration is cut. It is

visible on the neck, shoulder and wall, as well as under the base. It consists of straight sections, from the base to below the rim. The base is carved as an eight-pointed star. The support point is made of a row of frosted glass triangles.

Accession Number 2018.10.1372

Date 1890

Materials lead-free colorless glass

Measurements 19,3 x 2,869 cm
