The plate is complete. It is circular in shape, with an undulating rim. The rim slopes slightly inwards; the wall is low and curves towards the bottom, which is slightly domed. On the reverse, the plate rests on a small ring-shaped foot; the bottom is recessed and flat. The bottom is recessed and flat, with an intaglio mark below: D.G.CARPENTIER 99; the decoration is

molded. It is visible on the edge of the marli. It consists of a row of small pointed bulges perpendicular to the edge.
