Rocking chair with 3 volutes. The two lower slats are grouped together and thinner than the upper one. The entire backrest bends to form a comfortable, clothes hangers support. The turned and tapered rear uprights tilt and spread towards the top of the backrest. The armrests are also turned and steeply inclined. Original woven seat in elm bark. The perimeter is reinforced with rods. The cradles are in their second generation. Mortise, tenon and peg joints. Painted dark red and varnished.
