The saucer is complete. It is circular in shape. The wall is flared at the top, and the rim is plain. The wall extends to the bottom, which is flat. It rests on a ring-shaped foot. The underside of the base is recessed and flat. The decoration is painted on the glaze; it is pink lustre and polychrome, in red, green and blue, with floral and plant motifs. The decoration is visible on the

rim, as well as on the inner wall and bottom. The decoration on the inner wall is an alternately repeated motif, consisting of a flower painted orange-red with a green heart, flanked by a leaf, one half of which is painted blue and the other pale green along its length; small leafy stems, painted in lustrous pink, emerge from the flower. A ring is painted in lustrous pink on the inner base. The top of the rim is covered in lustrous pink, which extends in a wide band along the inner and outer edges.
