The saucer is complete. It is circular in shape. The wall is slightly flared at the top, and the rim is plain. The lower third of the wall is tapered towards the bottom. It rests on a foot in line with the wall. The base is free of glaze. The underside of the base is recessed and flat. There are two numbers painted in silver under the bottom: 30; The decoration is painted on a silver

glaze (Silver lustre). It is a geometric motif. It is visible on the rim and under the inner rim. The decoration below the rim is a wide ribbon, bordered on the rim and below the rim by a broad line painted in silver; it is made up of three rows of arrowheads pointing downwards and arranged in a staggered pattern. Beneath this ribbon are two rows of small wavy lines, delineated by arcs of small, progressively-sized dots.
