Collections / From federalism to the end of the Second World War / scented water bottle

CC BY-NC-ND 4.0 license

The bottle is complete. It is cylindrical in shape, with a slightly tapered wall at the bottom, a rounded shoulder and a flat top; the neck is cylindrical, short and straight. The neck is flared, with a fire-polished top. The base is straight. The base is flat, with a small circular indentation in the center and a small nipple. The glass features small, elongated air bubbles ; None...
