Steatite sculpture of a bird, perhaps a swan?

---

Accession Number 2022.18.171

Artiste / Auteur Josephie, Appa

Date 1985

Materials stone, serpentine

Measurements 4 x 11 x 6,5 cm

---

## Historical context

This serpentine sculpture probably represents a Canada goose (*branta canadensis*) at rest. Its head is turned backwards, while its long neck is resting on its back, with its beak buried under its folded wings. In this
