The tea pot is complete, with small chips on the rim and foot. It is cylindrical in shape. Its straight wall is topped by an angular shoulder, then by a concave conical neck with a rounded top. It is topped by a small cylindrical rim with a domed top. The pot rests on an annular foot in line with the wall. The bottom is recessed and flat. The decoration is hand-

painted underglaze in a blue floral motif. The decoration is on the shoulder and on the wall. On the shoulder, it consists of a latticework ribbon with four ovals in reserve, each adorned with a leafy stem. The decoration on the outer wall consists of two large leafy stems on opposite walls, separated by a small leafy stem.
